# ALEXANDRIA GAZETTE

# -1881-

The ALEXANDRIA GAZETTE, begun in 17.0, is the oldest newspaper in the State, and the only daily published in Northern Virginia. It has survived, with few exceptions, all the public presses in America which saw with it the down of the mineteenth century. It lives, too, not in decay, but full of life and vigor, giving all the news, telling the truth without fear, favor or affection, trenching on the privacy of no man's home, but full to the brim with all oublic information, and giving daily honest tu Igments of public men and public measures.

It furnishes the news telegrams of the New York Associated Prais and of Renter's European agancy, being, with but three exceptions, the only paper between Bultimore and Richmond that is thus connected with the great fountains of the world's nows

With the coming year an the long triet and i aproved methods of making a standard newspaper will be continued, with such additional facilities as post experience justifies the proprietotia believing will add to the a spacity of the Gazatte to serve its restore. It expects to reader faithful services to the city, the state and the country by a condid criticism of man and events in the interest of the people of the Commission wealth of Virginia.

The Busicess and Commercial columns of the Gazetta will be filled with the earliest and most exact commercial news, edited with such painstaking care as will render an error, where even slight errors are dangerous, impossible.

The Cattle Markets of all the leading points of the world whose rates affect this market will be quoted, and regular statements of the Baltimore, Georgetown, Washington and Alexandria sales of cattle will appear.

Tao Flour, Grain and Produce movements will be noted daily, and the sales of the Alexandris and neighboring markets given with accurac; and dispatch.
